Welcome to Iron County Economic Partnership. Thank you for your interest in Investing in Iron County. We can help new or existing businesses or organizations that will: create new jobs, train people for jobs, generate tourism advantages and otherwise create an economic benefit for Iron County. We are able to assist not-for-profit and for-profit enterprises.

In order to guide us in helping you, we need a brief overview of your business plan. This summary should include your vision and how your business will be financially successful once your doors are open. Our support includes partnering with you to obtain funding resources. ICEP does not provide 100% project funding.

Once you have this information ready, call to schedule a meeting: 573-915-1569. You may also email the information to: connie@iron.fyi.
